# NEWTON COUNTY LIBRARY SYSTEM

## Internet Computer Parental Waiver

I, the parent or legal guardian of the child named on the Newton County Library System Internet Computer Parental Waiver Signature Card, do hereby give my permission for him or her to use the Internet computers at the Newton County Library System without my supervision. I understand that:

- Youth who are under 18 years of age must have a parent's or guardian's permission to use the Library's computers to access the Internet.
- The Internet is a decentralized source of information, and as such, there are no controls regulating the information, sights or sounds that can be accessed. It is my child's responsibility to judge the reliability and appropriateness of what is being accessed.
- I am responsible for ensuring that my child does not access sites or elicit behavior on the Internet that is considered inappropriate or illegal.
- I recognize and agree that it is impossible for the Newton County Library System to restrict access to what I would consider controversial and/or inappropriate on the Internet despite the Library's clear intent to do so with the application of filters.
- My child's access to the Internet, using Library computer terminals, is for educational, informational, and recreational purposes only and I agree that the Library is not responsible, in any way, for such information acquired or viewed by my child.
- I hold harmless the Newton County Library System for the sites, the visual, the audio and the printed information that my child will encounter while accessing the Internet with the Library's computers.
- I hereby waive any right I may have to any claim against the Newton County Library System, its employees, trustees, officers and agents arising from my child's use of the Internet.
