

Ready to sign up for the 2021 Winter Reading Challenge? Here's how to use our online tracking tool: Beanstack.

Beanstack takes the place of a paper reading log, and allows you to log your participation and track your reading progress from your computer or mobile device.

To get started, go to: [newtonlibrary.beanstack.org](https://newtonlibrary.beanstack.org)

## HOW TO REGISTER

- Click on one of the buttons to register for Winter Reading. If you already have a Beanstack account, you can use your existing login, and don't need to register again.

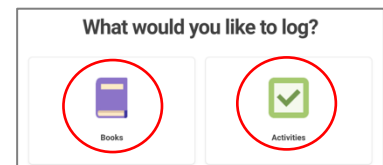

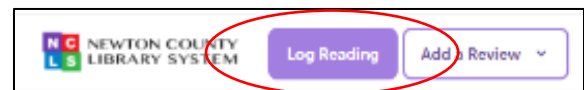

- First add the information for the primary account holder, the older child who will be logging their own books, or the primary adult caregiver. (If you are logging books for one or more younger children in your family, then you can add a reader to your account to register each child.)
- When your registration is complete, you will unlock the “2021 Winter Reading” badge.

## LOG YOUR READING & ACTIVITIES

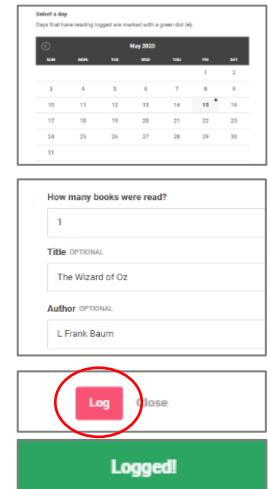

- Make sure you are signed in to your Beanstack account. From the main page, click the purple Log Reading button on the top left.
- Select the reader that you want to record for, then click the purple Books button or the green Activities button.

## LOG YOUR READING & ACTIVITIES (CONTINUED)

- If you are logging a book, choose a date on the calendar. *In order to count for the 2021 Winter Reading Challenge, you must record your reading between December 1 and December 31, 2021.*
- If you log your books one at a time, you can add the title and author. Or you can record multiple books at once, with no option to add title and author.
- Click the red Log button. You will get a green bar that flashes briefly with a “Logged!” message.
- Your book has been recorded. Happy reading!

## EARN BADGES

The more books you read and activities you record in Beanstack, the more badges you unlock.

When you have completed all the requirements, you will unlock the Snowman Badge, which earns you a certificate and special prize!

## PICK UP PRIZES

Once you have unlocked the Snowman Badge, stop by the Covington Library at 7116 Floyd Street, Covington GA, 30014 or the Porter Memorial Library at 6191 Highway 212, Covington, GA 30016, tell us your name, and pick up your prize and certificate!

***Participants will receive a special “Snowy Day” surprise for completing the Winter Reading Challenge!***
