

Ready to sign up for the 2023 Summer Reading Challenge?
Here's how to use our online tracking tool: **Beanstack**.

Beanstack takes the place of your paper reading log, and allows you to log your books and track your summer reading progress from your computer or mobile device.

To get started, go to: newtonlibrary.beanstack.org

HOW TO REGISTER

- Click on the **Register an Individual or Family button** to register for summer reading. If you already have a Beanstack account, you can sign in, and don't need to register again.

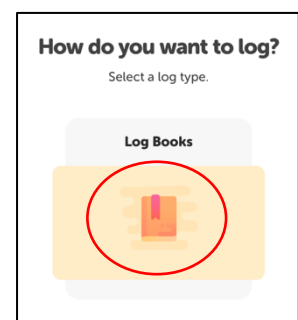

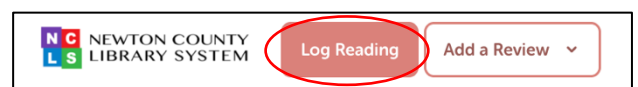

- First add the information for the **Primary Account Holder** - the older child who will be logging their own books, or the primary adult caregiver. If you are logging books for one or more younger children in your family, then you can **Add a Reader** to your account to register each child.
- When your registration is complete, you will unlock the "All Together Now" badge.

LOG YOUR READING

- Make sure you are signed in to your Beanstack account. From the main page, click the pink **Log Reading button** on the top left.
- Select the reader that you want to record books for, then click the orange **Log Books button**.

LOG YOUR READING (CONTINUED)

- Choose a date on the calendar. *In order to count for the 2023 Summer Reading Challenge, you must record your books between June 1 and July 31, 2023.*
- If you log your books one at a time, you can add the title and author. Or you can record multiple books at once, with no option to add title and author.
- Click the **Log button**. You will get a green bar that flashes briefly with a "Logged!" message.
- Your book has been recorded. Happy reading!

Select a day.
Days that have reading logged are marked with a dot.

May 2023

Sun	Mon	Tue	Wed	Thu	Fri	Sat
	1	2	3	4	5	6
7	8	9	10	11	12	13
